Class Five Trip to the Museum of Bath Architecture
Monday 12th June

Dear Parents

In conjunction with our Local History Topic, I am pleased to advise that Class Five will be visiting the Museum of Bath Architecture on the morning of Monday, 12th June.

Our theme on the morning will be 'How Bath was Built.' The children will learn about how Bath changed during the eighteenth century with a combination of taught sessions and hands-on activities. Objects from the museum and demonstrations of authentic tools will bring the activities to life.

Children will arrive in school at the normal time (8.40am) and will walk to/from the museum. **We will eat whilst on our visit, so could you please ensure that your child has a packed lunch on Monday.**

The weather for next Monday is set to be fair – this may change! Could you please make sure your child is wearing clothing appropriate for the conditions on that morning.

To cover the cost of this trip, we kindly ask for a payment of £3.00 per child. Please pay on school money www.schoolmoney.co.uk

Additional adult support on the day would be helpful - please let me know if you are able to accompany the children on this trip.

Thank you for your continued support.

Mr David Leonardi
Class Five Teacher
