

Fun Science After School Programme

Following the continued success of Fun Science at Bathampton School, we will be beginning another club after the Summer holidays for an hour a week after school on a Monday. The programme is open to all children from years 1- 6 and is jam packed with hands on science activities.

As always there will be a mix of bubbling potions, mini explosions, science crafts and gross science! Activities will be different to those done previously so children are welcome to sign up again.

The cost is £72 for the 12 week block and each week children will either make or be given something to take home with them so that the investigation can continue at home.

Sessions will run from 3.15 – 4.15 on the following dates: 17/09, 24/09, 01/10, 08/10, 15/10, 22/10, 05/11, 12/11, 19/11, 26/11, 03/12, 10/12 (29th October is half term).

The programme will be located in a room on site at the school.

For more information about Fun Science please visit www.fun-science.org.uk or email any queries to info@fun-science.org.uk.

If you would like your child/children to attend the science after school club, please fill in the form below and return it to the school office by Wednesday 12th September. Places are limited and will be awarded on a first come, first served basis.

Bathampton – Autumn Term 1 & 2

Child's name _____ Child's age _____ Class _____
