**Class Five Hockey and Netball Sessions**

**Term 3 (January-February 2016)**

Dear Parents,

During Term 3, children in Class Five will have the opportunity to participate in both hockey and netball sessions. These sessions will take place during school time and will be delivered by specialist coaches from RHS as part of their sports outreach project.

We recommend that children have adequate protection and clothing, such as a gum shield, shin pads and football/hockey socks. All other equipment, such as hockey sticks, will be provided.

Yours faithfully,

Mrs A Edmund

Head of PE
