March 2016

Class Five visit to @Bristol

Thursday 24th March 2016

Dear Parents,

In connection with our Earth and Space topic, a visit to @Bristol has been arranged.

The children will take part in an Earth, Moon and Sun workshop and visit the Planetarium, where they will take a trip around our solar system in a 3D stargazing experience. During the visit, they will have time to explore @Bristol, where there will be lots of hands-on exhibits for the children to enjoy. The main idea is for the children to try things out, observe what is happening and then try and explain what they have seen.

The visit will take place on **Thursday 24th March 2016**. The coach will leave school at **9am** prompt and should return in time for the end of school at **3.15pm**. It is therefore essential that children arrive at school at 8.40am so registration can begin on time.

The cost of the trip will be £15.85, to cover the cost of transportation, the workshop, planetarium and entrance fees. Please pay online.

School uniform should be worn and, in addition, each child should bring a coat, snack and a packed lunch (no glass bottles please).

Would you please be kind enough to complete and return the slip below by **Friday, 18th March 2016**.

Yours sincerely,

Mr David Leonardi
Class Five teacher
