Years 1&2

ComputerXplorers @ Bathampton Primary

What we’ll do
Children will create a stop motion film. Using cameras, specialist software and digital editing techniques they will work towards a final movie that they can take home and share. We also showcase films on our YouTube channel.

Animation is a multifaceted skill where children will design, create, evaluate & improve their project over the duration of the course. In addition, children will have fun developing their computing confidence, skills and technical vocab.

When
This 5 week Club runs after school every Thursday: 27/2, 5/3, 12/3, 19/3, 26/3

How to Register and Pay
In line with school policy NO PAYMENTS may be made to the school office, so please use our online payment service for this club, which will accept any debit or credit card.

The cost will be £42. Use the QR code, or visit https://bristolandbath.computerxplorers.co.uk/ and use the ‘Book a Class Button’. Use Course code: CXBB 1199

PLEASE ENSURE BOOKINGS ARE IN BY FRIDAY 14TH FEBRUARY 2020.

Who we are
We’re passionate about teaching all things techy in primary schools. Find out more about us on our website at the address above, or connect with us on Twitter or Facebook.

Getting ahead in Computing
Our parent updates will inform you of your child’s progress and will include further activity suggestions to help continue their learning at home. These will be available for download from our Dropbox at your convenience (a link will be provided).

Please note that places cannot be confirmed until payment is received and that all bookings are subject to our Terms and Conditions (see website for details)
