

FRENCH CLUB

Dear Parents,

Bonjour! Following the success of the previous Skoldo French Clubs at Bathampton Primary school, I would like to offer an opportunity to all Y1 to Y6 pupils to join the lunchtime French Clubs. I'll be running a French club class for the reception children on Friday lunchtime after the Christmas holidays 2018. A separate letter will be sent out to all Reception pupils' parents mid-Novembre 2018.

I will be using SKOLDO, a unique imaginative and thorough way to learn French. This is what SKOLDO French classes provide:

- An excellent native accent for the children to copy
- Small classes with plenty of individual attention
- Conversation, basic grammar, games, role-plays, rhymes and stories
- Weekly report on lesson content + homework to be done

The books are bright and clearly laid out with lots of pictures related to different topics, songs and conversation practice. The free online audio video soundtrack is a very good tool to help your child with pronunciation and the songs are catching. The cost of the book is £7.50 (including the delivery fee). Classes will be offered at the rate of £4.50 per lesson, paid termly in advance. **Places are limited to 12 per class and can start from a minimum of 6 children.**
