Fun Science After School Programme at Bathampton Primary

After Christmas, Fun Science will be continuing to run our after school club for an hour a week after school on a Monday. The programme is open to children from years 1-6.

As always there will be a mix of bubbling potions, mini explosions, science crafts and gross science! Activities will be different to those done previously so children are welcome to sign up again.

The cost for the 9 week programme is £58.50 and each week children will either make or be given something to take home with them so that the investigation can continue at home.

The sessions will run for an hour after school (3.15pm -4.15pm) from the 20th Jan until the 23rd March. The programme will be located in a room on site at the school.

For more information about Fun Science, including our other services such as birthday parties, please visit www.fun-science.org.uk. You can email any queries to bath@fun-science.org.uk or call 07708214840.

If you would like your child/children to attend the science after school club, please book them on using the following link –
