

Bathampton Primary School Newsletter

Dear Parents/Carers

The year seems to be flying by at the moment.

Thank you all for your continued support in school, it is so evident that our school boasts excellent community support and kindness.

Our senior management team has been hard at work recruiting for Mr Leonardi's replacement. I am so pleased to say that we have successfully appointed.

Mr Andrew Meadows will join our team and teach Year 5 in the final two terms of this academic year. We welcome Mr Meadows; he will be around to meet the parents next week.

Also, in September, following a successful rigorous interview process this week, we will welcome a permanent member to our teaching team. Full details will be announced next term.

Farewell to Mr Leonardi – We are truly going to miss him at Bathampton and wish him all the best for the future.

Mr Brewer
Headteacher

School Council Information

The School Council have been hard at work reviewing our behaviour policy (specifically the rules section). The children spoke to their classes about our school rules and gathered all ideas from the children across the school. Next term we will be updating the behaviour policy with the new rules and will share this with you.

Well done children!

The School Council also helped with the interviews this week and they made us all so proud.

Pupil WOW section

Well done to Noah Cook who achieved green belt in Karate last week. Keep up the good work Noah!

Biathlon Success!

Well done to all the children who represented themselves at the National Biathlon Championships in Crystal Palace earlier this month. Your parents and school are so proud. Keep up the super determination.

Our new playground equipment is being used by the children every day. They are really enjoying the new options they have!
