New Arrangements for Purchasing School Uniform

Dear Parents,

We are pleased to announce new, improved arrangements for the purchase of school uniform. We are still using the same supplier, Michael Hope, a local company based in Bathampton, but ordering will now be done online.

In order to avoid any postal costs, uniform items can be sent directly to school, already bagged and labelled with your child's name. Parents will get an email letting them know the uniform has been delivered and children can bring their new uniform items home.

You can order uniform from Michael Hope's website, at:

<http://michaelhope.co.uk/shop/>

If you enter "batha" when prompted for the school's name, you will be taken to the page which has the Bathampton Primary School Uniform items.

You can then order and pay for your uniform items online and they will be delivered free of charge to the school. You can order uniform during the holidays and collect it from Michael Hope's unit in Box (information is on his website).

Please note we will no longer be keeping uniform in school so you will need to order it online. The current uniform list is overleaf and also on our school website.

We hope you will find this a helpful new facility.

Kind regards,

Paul Falkus
