

Bathampton Primary School

Together on a learning adventure

Headteacher: Mr Thomas Brewer BMUS. PGCE. NPQH

June 2019

Dear Parents/Carers

The children are getting very excited about our Sports Day this coming Thursday. Up and Under Sports will be running the event this year.

Attached to this letter are two maps for your convenience, showing where events are taking place. One is a KS1 map 09:00 – 10:30 and the second is a map for KS2 10:45 – 12:15. If you have a Year 6 child, they are helping at the KS1 event so you may wish to watch this as well.

The children have been practicing for their events and have impressed teachers immensely already.

Please can we ask that parents remain in the designated area set out with bunting to avoid children leaving their class at all. We also ask that children have sun cream applied in the morning before school, bring a full bottle of water and sun hat.

Finally, please enjoy the morning, cheer in good spirit and cross your fingers the forecast remains as it is now!

Kindest regards

Thomas Brewer
